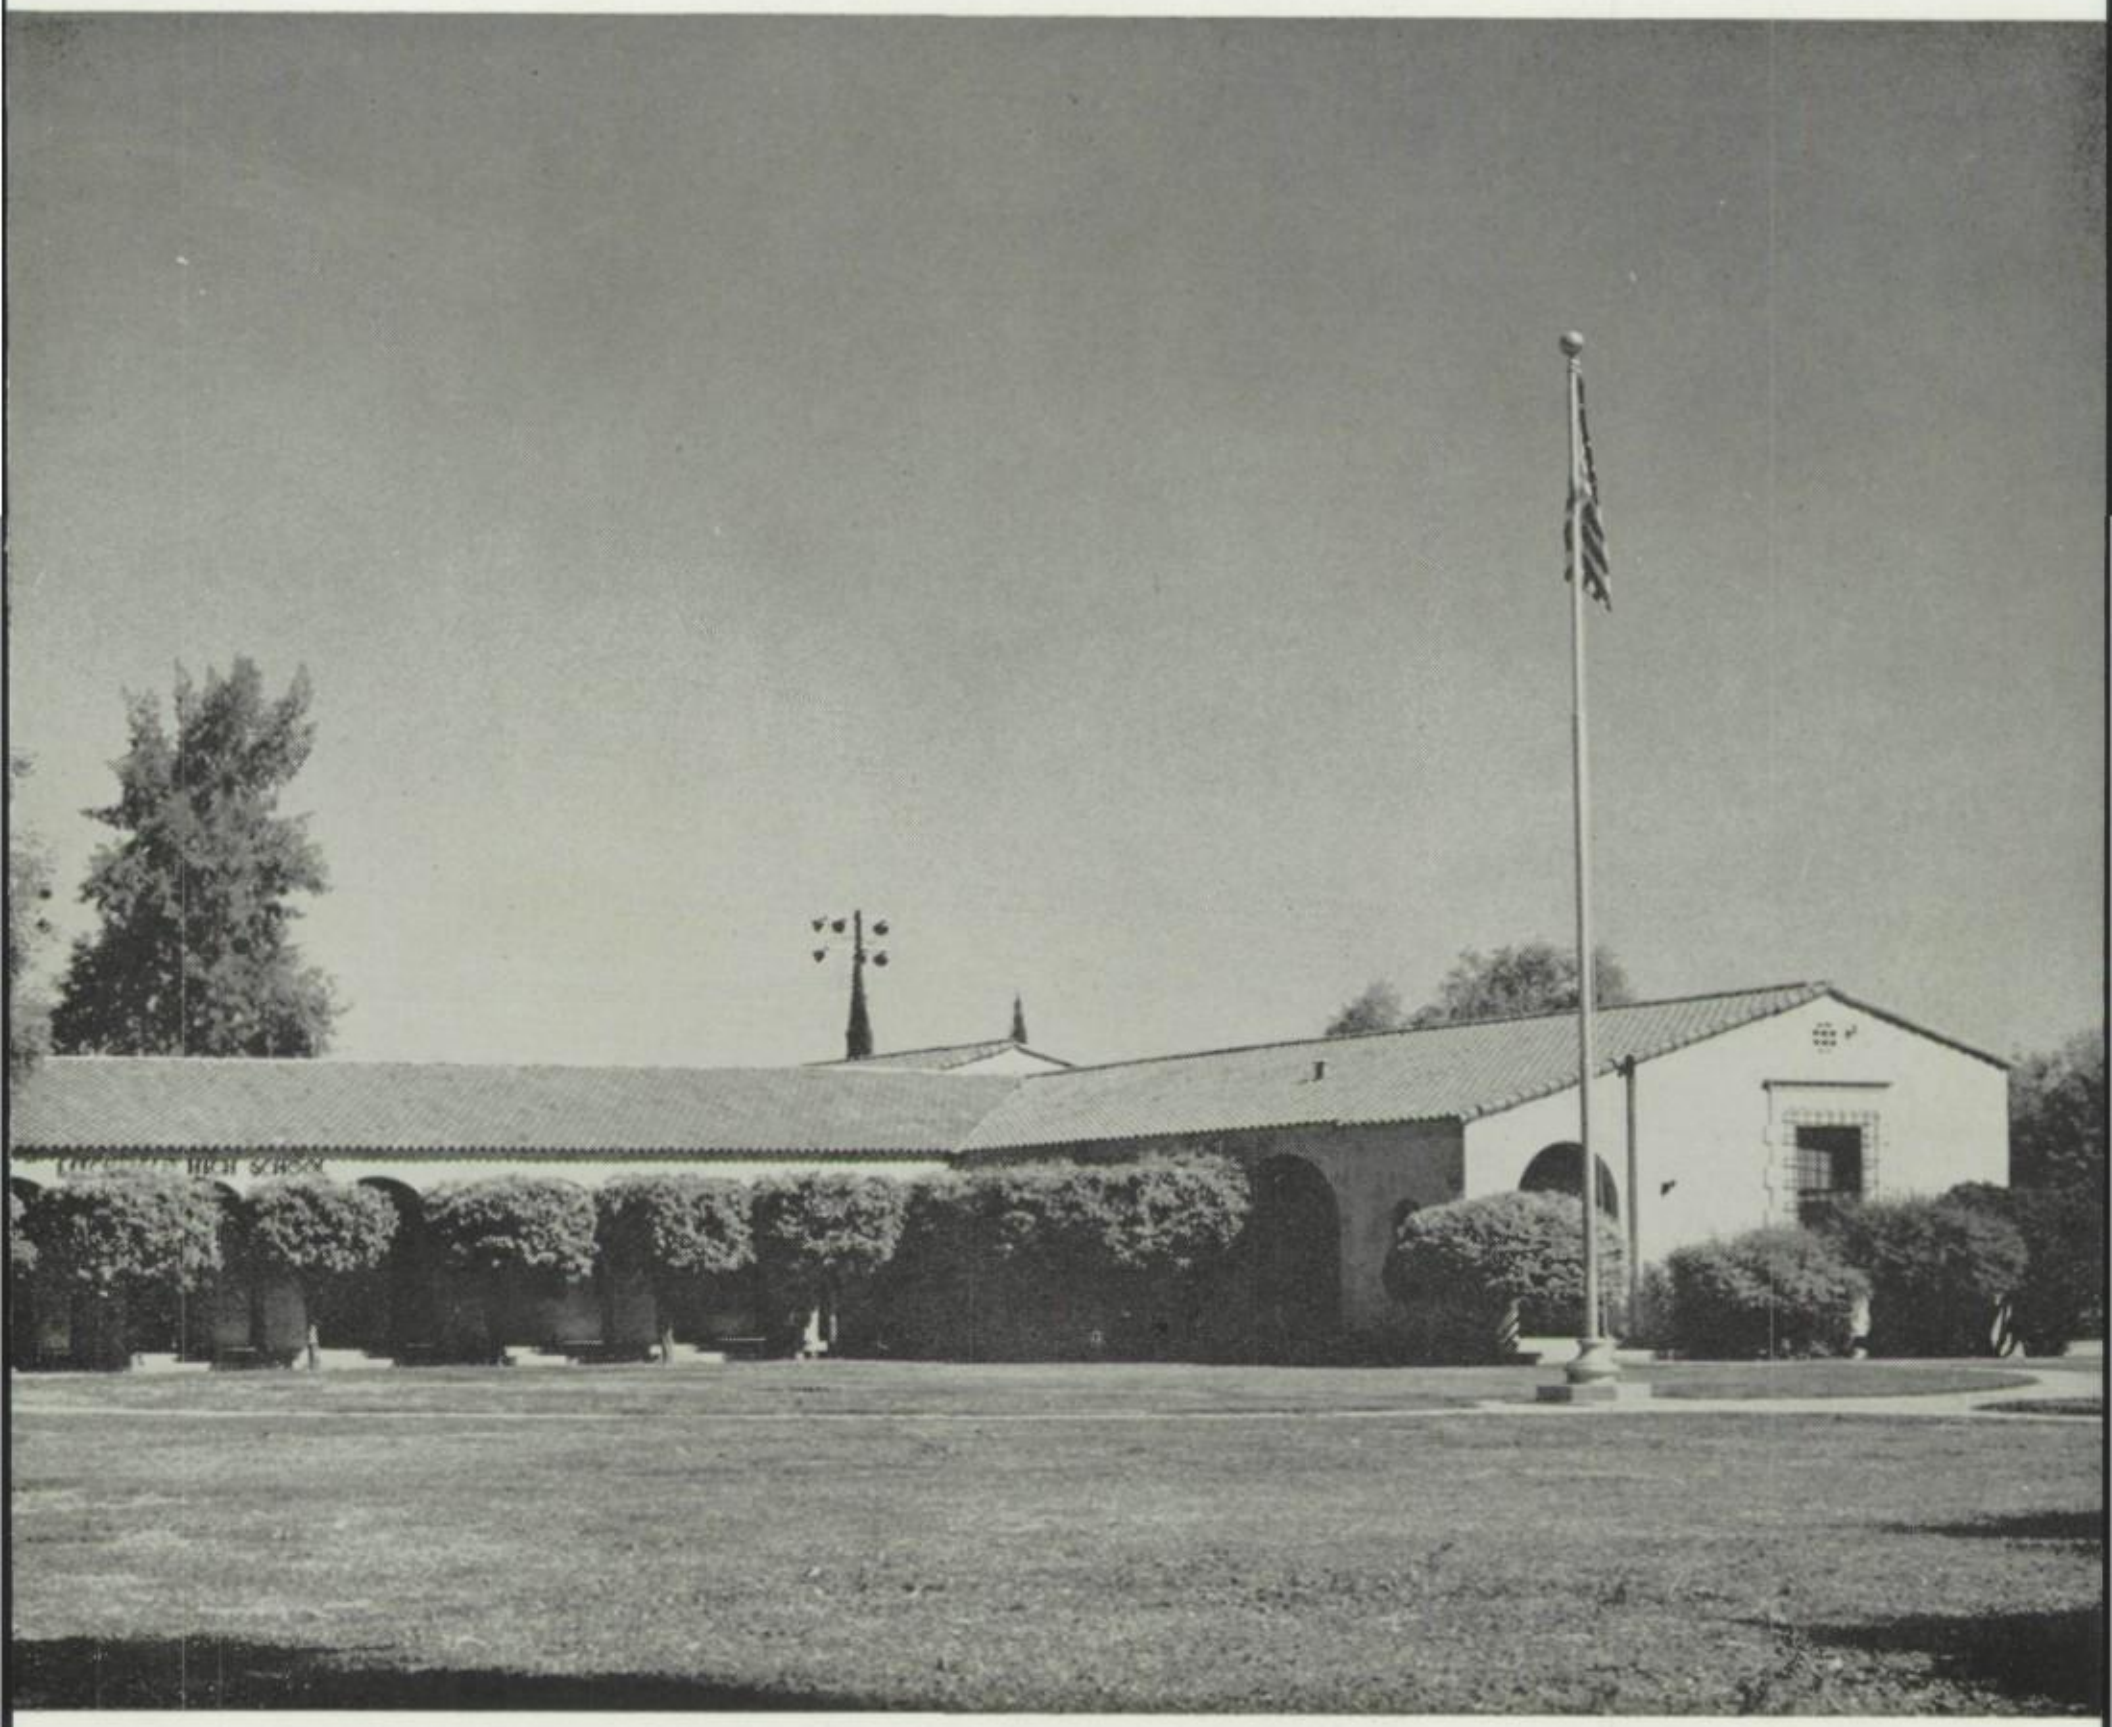
The last bell for the year 1950 rings. One by one we take our books and stroll down the walk. Thoughts of the school year flit through our minds, and then we know WE REMEMBER . . .

Our School, Litchfield High

Since Litchfield High School was established in 1928, many boys and girls have been graduated to become fine American citizens. When the call came to defend our country, untold numbers responded, and at least three laid down their lives. To all alumni of L. H. S. who, like us, have walked through the corridors

At Litchfield Park, Arizona



as they passed from cass to class, who have gathered around the flagpole to study and to visit, who have played and cheered in athletic games, who have won speech honors, who have danced at our parties, and who have helped to publish earlier issues of this book, the 1950 WICKIUP is dedicated.

Our classmates, the Seniors of 1950, now leave L.H.S. . . .

Under the faithful leadership of the class officers: Willie Fulks, president; Don Coulter, vice-president; Joyce Wilson, secretary; and LaNell Henry, treasurer, the Senior Class has finished the year of 1949-50 with success.

A gay party started the social life of the year which was climaxed with an exhausting, but thoroughly enjoyable "ditch day."

After due consideration, the rose was chosen for the class emblem rather than the sunflower, and green and white were selected as class colors.

The Seniors lived up to their motto, leading the other classes throughout the year in scholarship and in extra-curricular activities. Striving to make our school bigger and better, the class of 1950 has been the "backbone" of L. H. S.

The Junior Class is small but efficient . . .

Striving to please, the Junior Class worked hard all year to accomplish their big project, the Junior-Senior Banquet and Prom. They followed their leader and president, James Ackman, and co-operated well. They also needed the assistance of Kyle Neelham, vice-president; Crystal Armstrong, secretary-treasurer; and Pat Brooks, their business manager. Their class colors were blue and white and their flower was the yellow rose.

The Sophomore Class of this year has successfully met important responsibilities. One of these was decorating the study hall at Christmas time and setting the mood for the season. They also enjoyed providing punch for the all-school picnic at the end of the year. Freshmen Learn The Hazards Of High School Life

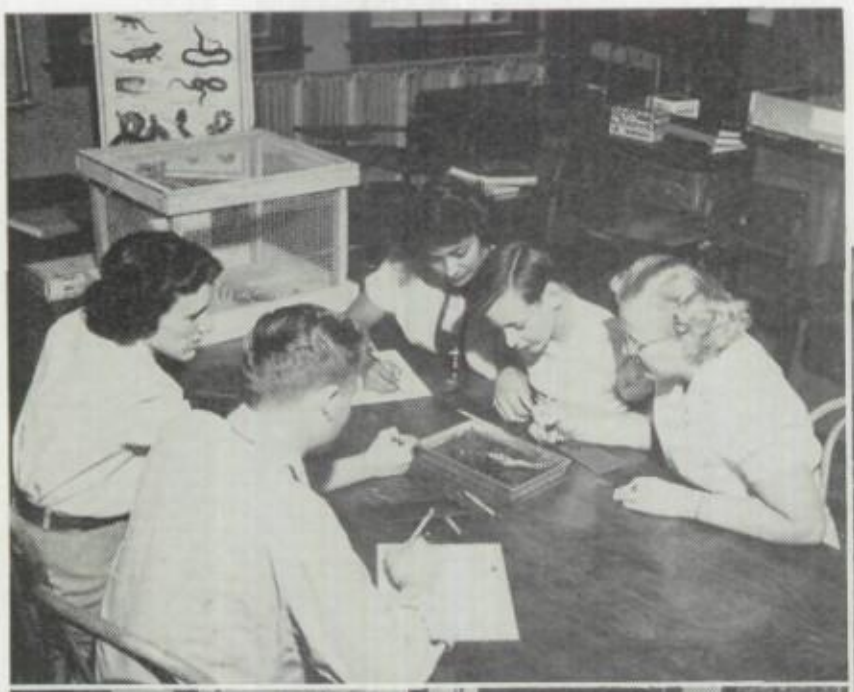
My, wha' hoppon' to you?—There're no hard feelings here—He looks willing—Ouch!—Did someone get a "1" for that?—Chatanoogie Shoe Shine Boy—Oh, oh, SPLASH!—Martha looks as if she might be cold.

The Scholarship Award—Nice, isn't it? Each year some deserving student is rewarded for his efforts in his classes. Then the mean old teacher whom we criticized, the stuffy classrooms, the long assignments, the dull books, and the dates and movies that we had to miss, all seem worthwhile now that WE REMEMBER . . .

Class work at L.H.S. adds spice to the school life . . .



This is the type of work that makes biology interesting. Some of the students dissect a frog.

The study of general science gives students a preview of all sciences ranging from the simplest forms of nature to the most complicated mechanisms.

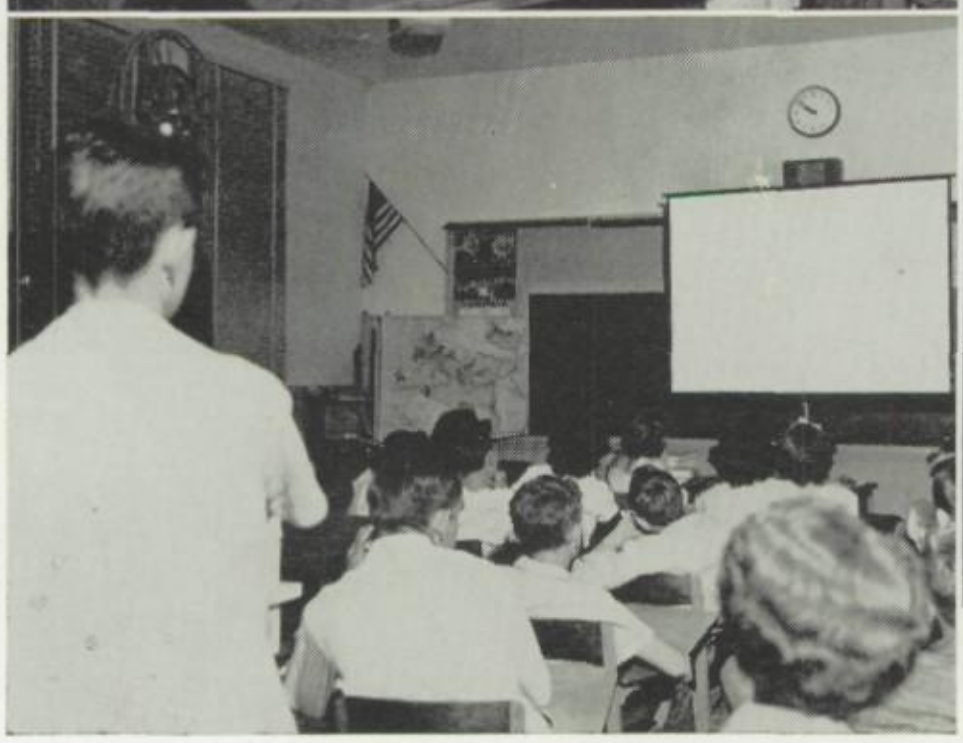
Future stenographers? If interest is any indication, these shorthand students should be very successful.

Fhythm, speed, accuracy, and posture are the important factors that are emphasized in the typing class.

. . . and a little hard work to strengthen character.

"And this is the carburetor," explains Mr. Coor to a portion of the driver training class.

Patsy and Mr. Hayden discuss the place where the new books should be shelved in the library.



Jimmy is demonstrating what he has learned in visual aids by showing a film to the Junior Class.

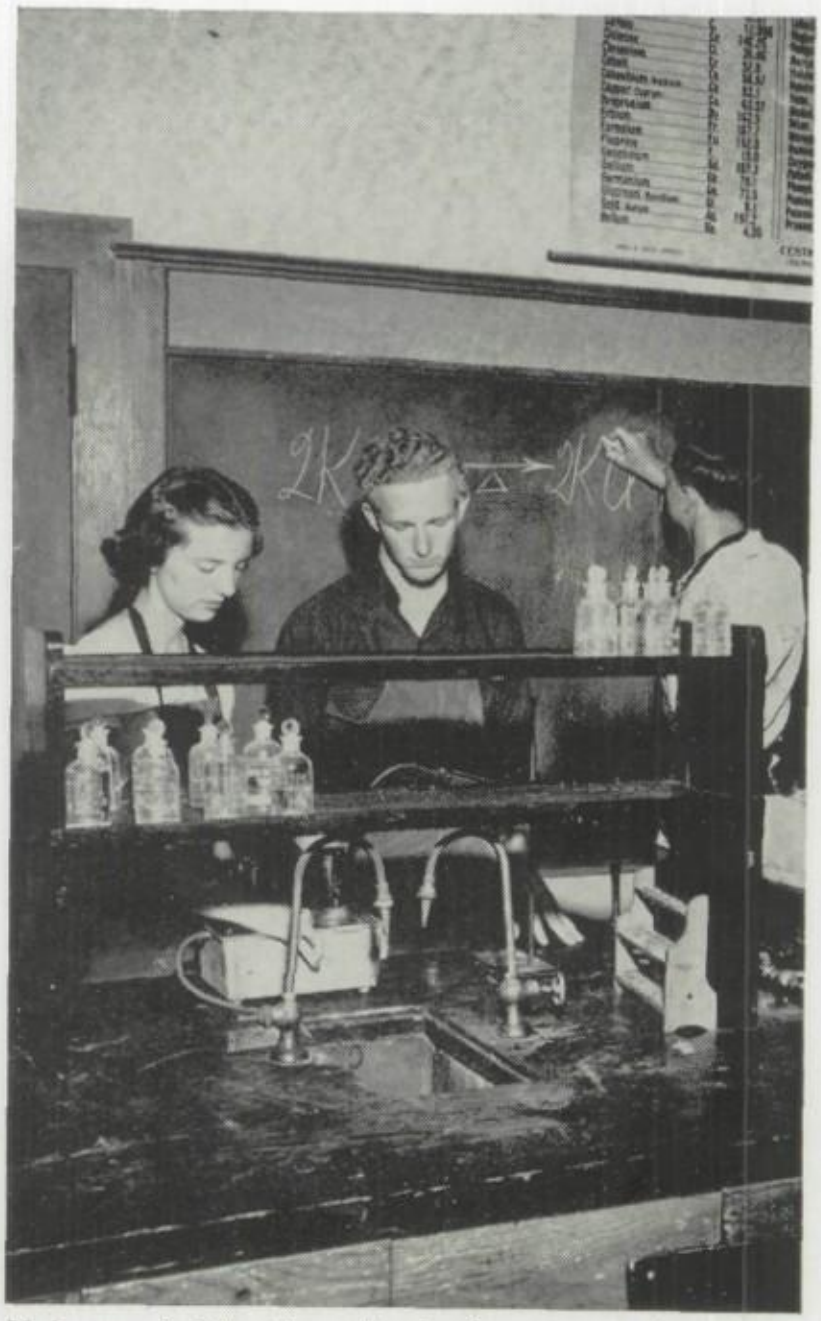
It's remarkable! Everyone is studying in this study hall.

Students of an English II class look over the work they will exhibit for Patron's Day.

Mr. Quass presents Ed with a check for his oration on the Constitution.

"3x minus 9y squared." Algebra consists of just such problems.

Gloria points out Coronado's route to the rest of the American history class.



Kyle and Marilyn find chemistry fascinating, while Terry tries to figure the formula.

"Buenos dias, senorita. Como esta usted?"—the first thing you learn in Spanish.

James puzzles over the problems of mechanical drawing, and so does the rest of the class.

"Hold still, Bev, while I pin the hem," says Mary Lulu as Mary Louise straightens the collar.

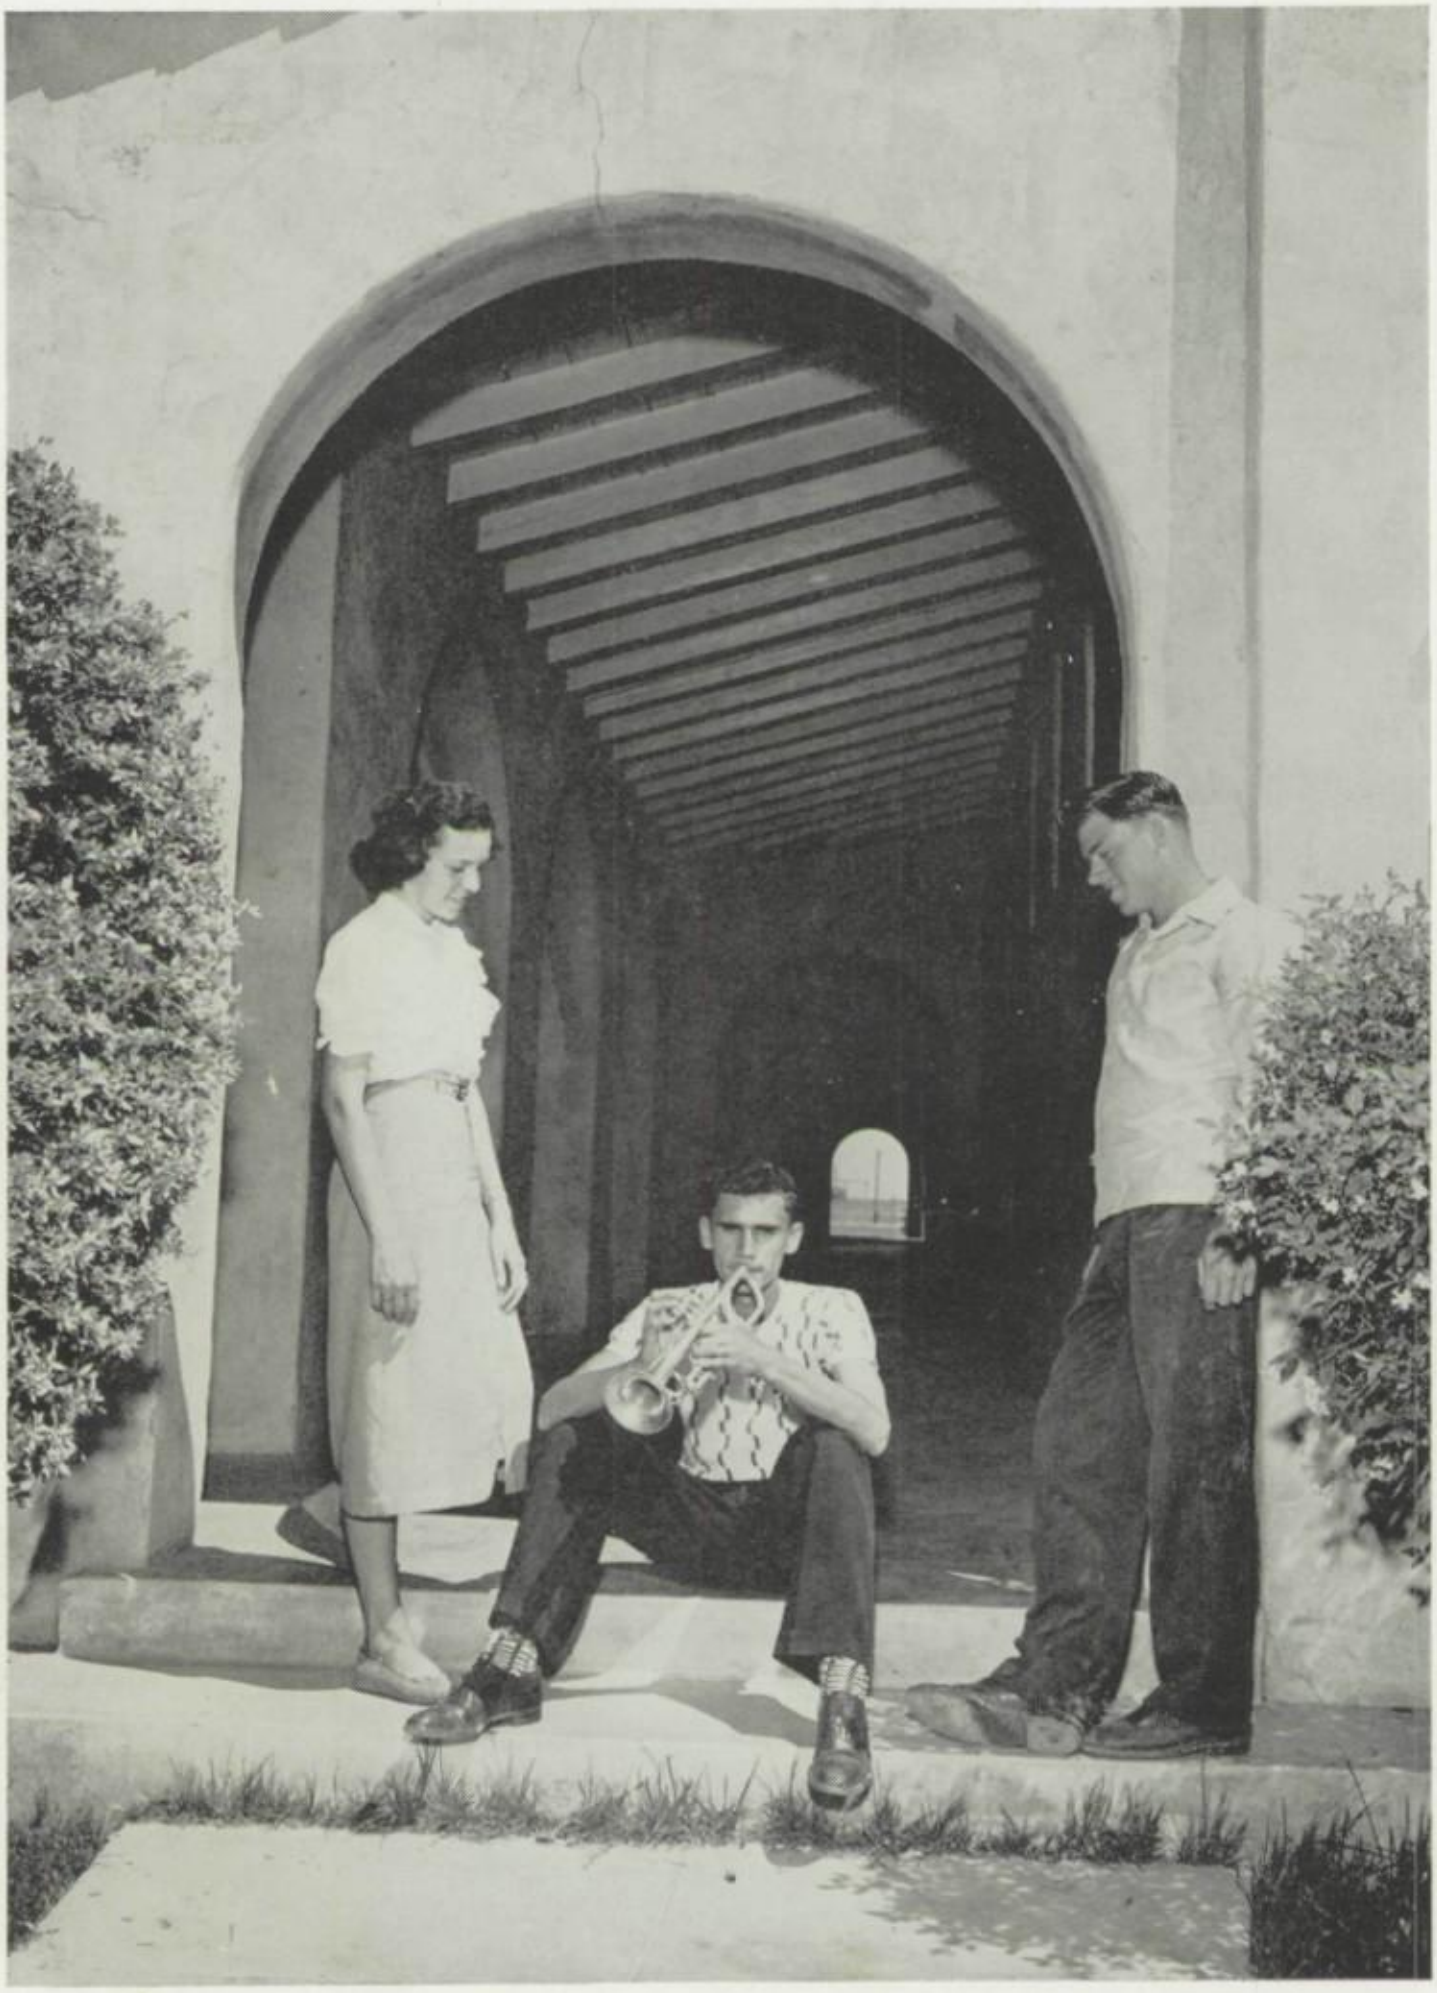
Willie and Doug display the fine furniture they made in industrial arts.

The girls of Homemaking I enjoy the spacious room of the new department.

"Cheer, cheer, for the gold and the blue, wake up the echo, we'll see you through," or "I don't know why I love you like I do, I don't know why, I just do," will soon be sounding from the windows of the school bus as the loyal L.H.S. rooters go to support their team away from home. Also the students who live too far from school to walk, board the bus each morning and night for that ride to and from Litchfield.

It's lunch time at Litchfield, and as the students rush across the football field and crowd into the cafeteria, the lucky ones manage to be first in line for the appetizing meal.

Miss Valenzuela seems to have quite a job as Bill Zeigler steps on the scales to be weighed and measured as part of the routine check-up that is given all the students at Litchfield High.



"Will the meeting please come to order!" "On stage," "What about the motion that's already on the floor?" "Aw, pipe down, nobody asked you!" "That song's too slow," "We've got to meet the deadline," "How're we going to make enough money?" These are the things about our organizations and activities that make us smile as WE REMEMBER . . .

Student Council Has Active Year

UNDER THE GUIDANCE of their faculty adviser, Mr. A. L. Tidwell, and their student-body president, Woody Gaillard, the 1949-'50 L.H.S. Student Council has been on the alert to understand and deal with the problems constantly arising at the school. The members have worked untiringly to better school life and have taken an active part in community affairs.

The first task of the year was the redecorating of the room in the tower. To accomplish this, members of the council sanded and varnished the table, painted the floor, and gave the room a complete clean-up job.

The Student Council joined the National Association of Student Councils; took up a collection to give needy families at Christmas time; built a prize winning float that was entered in the Salad Bowl Parade; arranged to have a volley ball league made up of the four classes; planned the all-school picnic at Mesa on May 19; handled the plans for the student-body election; and sent Woody Gaillard, Bill Hardison, Corinne Dudley, and Wanda Damron to the State Student Council Convention at Yuma. The members are:

PRESIDENT	Woody Gaillard
VICE-PRESIDENT	Bill Hardison
SECRETARY	Corinne Dudley
BUSINESS MANAGER	Darrell Wetherbee

JUNIOR CLASS PRESIDENT	James Ackman
SOPHOMORE CLASS PRESIDENT	Bill Sweeney

Members Of F.H.A. Work On Varied Projects

The L.H.S. CHAPTER of the Future Homemakers of America is an organization that has been busy all year with such activities as making a project to display at the Arizona State Fair; the sending of packages to a German home economics class, a cake walk, and candy sales at Sport's Night.

The Athletic Department offered the F.H.A. girls fifty cents per suit—if they would wash and iron the basketball uniforms. The girls undertook the task and successfully completed it.

All projects were for the purpose of raising money to send Gloria Rivera to Kansas City, Missouri, for the summer national F.H.A. convention.

Desert Howl Is Example Of Outstanding Journalistic Ability

"WHO MESSED UP page eight?" screams one of the irate editors as he discovers the ruined stencil. On the other hand, you might hear, "Say, boy, that was a pretty good story you wrote on Friday night's game."

Publishing the Desert Howl isn't a pink cloud of paradise, but neither is it strictly hard labor. The whole class worked together for two weeks at a stretch and then rejoiced together or cried together, depending on how the finished product turned out.

The Desert Howl usually turned out very well, because it was rated First Class by the National Scholastic Press Association and generally praised by students, faculty, and parents. The class sent four delegates to the annual journalism convention at Tucson, Wanda Damron, Bill Hardison, Beryl Koger, and La Nell Henry. Members of the staff are: editors, Wanda Damron, Billy Hardison; assistant editors, Beryl Koger, Joyce Wilson; society editor, La Nell Henry; girls' sports, Corinne Dudley; sports editor, Dick Kingsbury; reporters, George Templeton, Vernon Frost, Joe Lipscomb, Dick Kingsbury, Don Coulter; business manager, Don Coulter; typists, Corinne Dudley, Wanda Damron, Joyce Wilson, La Nell Henry, Beryl Koger; stencils and mimeograph operator, Ronald Craigo, Joe Lipscomb, George Templeton, Billy Hardison; faculty adviser, Mr. Norman Borg.

The Band Played On

LITCHFIELD PARK'S band room was a busy place each day during the last class period. The snappy tunes of "The Booster" or "Brazil," could be heard every afternoon, played by Litchfield's marching and concert band.

The rhythmic beat of the drums, and the blaring melody of the trumpets, along with the blending harmony of the rest of the instruments, was pleasant to the ears of all who played and all who heard. The band, which is under the direction of Mr. Peckenham, played at all home football games besides making many other public appearances.

L.H.S. Chorus Is Bigger Than Ever This Year

THROUGHOUT the year, the Litchfield chorus has been very busy entertaining at the various clubs in town and participating in the annual music night, singing at the Glendale Music Festival, and rendering an excellent performance at the Christmas Pageant.

An octette, composed of Woody Gaillard, Tandy Andrade, Billy Ray, Mansfield O'Neill, Louistine Hurley, Jean Cunningham, Betty Lee Dudley, and Corinne Dudley sang on special occasions. The chorus is capably conducted by Mr. J. K. Peckenham, music instructor.

Top Row, left to right: Tripp, B. Ray, E. Gaillard, J. Ackman, Coulter, Brownlie, Moon. Second row: Monty, Brown, Crabtree, M. Fulks, Crandall, P. Ray, Cunningham, Snydal, Allen. Third row: Taylor, Williams, L. Sheppard, Brinker, Sturgeon, Acosta, Garcia, Hancock, Gaucin, Patton, Keese. Fourth row: B. "O come all ye faithful, joyful and triumphant,
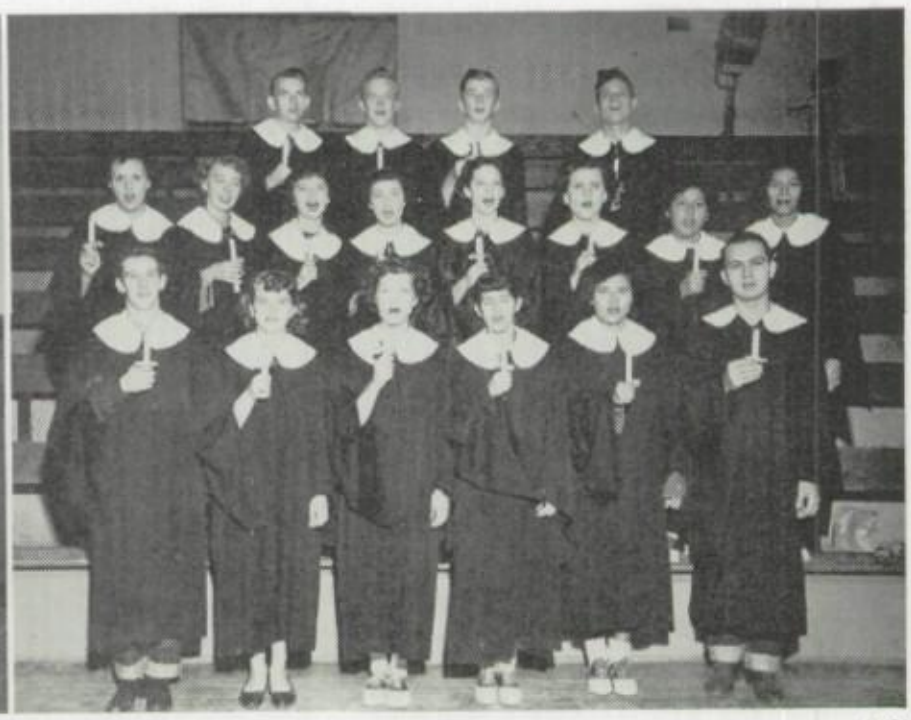
O come ye, O come ye, to Bethlehem.
Come and behold Him, born the King of angels,
O come let us adore him, Christ the Lord."



Angels of the Heavenly Host

"Angels we have heard on high,
Sweetly singing o'er the plains,
And the mountains in reply,
Echoing their joyous strains.

Little Children of Today Enjoy Christmas

"On trusting children fast asleep,
On faithful shepherds by their sheep,
On men too wise their wealth to keep,
Shine softly, softly, Christmas star."

Audiences Are Thrilled By Beautiful Scenes

The wise men tell Herod of the new King.

"For we have seen his star in the East and are come to worship Him. When Herod the king had heard these things, he was troubled. Then Herod called the wise men, inquired of them diligently what time the star appeared. And he sent them to Bethlehem and said, 'Go search diligently for the young child.'"

The seniors were always eager to sell a lot of candy to help finance the annual.

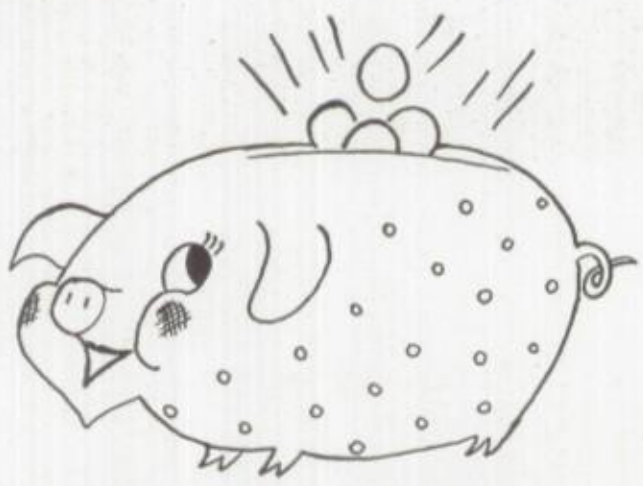
Part of the staff seems to be hard at work preparing layouts for the engraver.

Seniors Put Memories Into Yearbook

EACH YEAR, the all-important project of the Senior Class is the publication of the Wickiup. At the beginning of the year, the following assignments were made for the 1950 Wickiup:

Editor .....Beryl Koger
Assistant Editor .....Beverly Crandall
Business Manager .....Kenneth Wood
Assistant Business Manager.....Joanne Johns
Advertising Agents .....Woody Gaillard, Willie Fulks, Dick Kingsbury, Don Coulter
Wickiup Salesmen .....Vernon Frost, Daphne McAbee, Mavis Shackelford, Darrell Wetherbee
Staff Writers .....Nancy Wallick La Nell Henry, Billy Hardison, Mansfield O'Neill, Joyce Wilson, Wanda Damron, Betty Manning, Paul Gross, Marie Standage
Art Staff .....Connie Glaefke, Charlyn Sturgeon, Joe Lipscomb, Ed Monty, Dorina Flores, Corinne Dudley, George Templeton, Ronald Craigo
Student Photography Staff....Ronald Chapple Elwyn Quackenbush, Ray Stewart, Linda Brannin, Edythe Keese, Wayne Brummell
Adviser .....Miss Hundhausen

During the year one might have heard the following comments which indicated the progress of the Wickiup staff: "We can do that page tomorrow. There's no hurry." "Miss Hundhausen, did the basektball pictures come back?" "Who's working on the football layout?" "What happened to the April Frolic snap page?" "This rubber cement is too stiff" I have ordered some candy to sell at the game." "May we sell advertising tomorrow?" 'We've got to this to the printer as soon as possible." "Do you think we'll have it ready in time?"



Each penny that came in to the Senior Class was put in the "piggy bank."

A touchdown? A basket? Maybe it's a home-run! Win, lose, or draw, the excitement of the L.H.S. crowd always ran high as they cheered the teams on through the final moments of each game. Yes, it's the enthusiastic cheering from the stands that we hear as WE REMEMBER . . .

Owls Switch To Eleven-Man Football

THIS YEAR the Owls switched from six-man football to eleven-man. Because of inexperience and lack of depth, the team went winless.

Although the Owls didn't ever come out on top, all the squad played their best and didn't stop fighting until the final gun.

In the opening game the Peoria Panthers eked out a 12-6 victory over the Owls. The following week the Owls lost a 19-14 heartbreaker to Tolleson with the gold and blue threatening in the final minutes of the game. After holding the strong Buckeye Hawks to a 19-18 halftime score, the Owls gave way in the final stanzas and lost 50-18. Next came a 26-0 shellacing by the Carver Monarchs. After the Monarchs' game, the Owls lost a bruising game to Santa Cruz 26-13. In a very muddy game at Scottsdale, the squad was blanked by a 20-0 score by the Beavers. In the final game of the season, the Owls played probably their best game. After leading most of the game they got careless in the final moments and lost a 13-12 thriller to the Superior Panthers.

Under the able guidance of Coaches Glenn Mackie and Joe Garcia, the squad was taught the fundamentals of eleven-man football. This training was combined with the practice of good sportsmanship, which makes the game of football more enjoyable.

THE 1949-50 BASKETBALL squad proved to be very successful. The boys won eleven while dropping seven in their tough 18-game schedule.

This squad was built around such returning lettermen as Ray Stewart, Ron Craigo, and Ken Wood. These three boys carried the team's scoring burden throughout the year.

The Owls got off to a good start, winning their first three encounters. However, as the season progressed, they hit a streak of bad luck and lost some of their vital games. The squad finally found themselves and ended the regular season with three straight wins.

In the West Central District Tournament, the Owls entered as one of the favorites, but were defeated in their first two games.

During the basketball season, the Owlets gained much experience and chalked up a good record—nine wins and eleven losses.

Most of the boys who played on the J.V.'s this year will probably be on the varsity next year. Therefore their training in good sportsmanship and the fundamentals of basketball will make the future brighter for the 1951 blue and gold cagers.

Some of the outstanding players on the squad were Joe Woods, Richard Esquivel, and Terry Mack, who was elected captain of the team.

In the Junior Varsity Tournament at Tolleson the Owlets got into the finals of the consolation bracket, but were defeated by a strong Buckeye Squad. Joe Wood was chosen as captain of the all-tournament second team.

Small Track Squad Proves Very Strong

THE 1949-50 TRACK TEAM, although small, was much feared and very powerful. Their weight was felt in every track meet in which they participated.

The first meet of the year was with Tolleson and Buckeye, at Tolleson. This was followed by meets with the Glendale J.V.'s and the North Phoenix J.V.'s. Next were the Arizona Relays, in which L.H.S.'s one-mile relay team ran one of the finest races of the year. The team consisted of Willie Fulks, Ed Monty, Phil Brownlie, and Don Coulter. Each ran 440 yards.

The following week came the Chandler Relays, and then the district meet. Willie Fulks won the 220 yard dash, successfully defending his title, and placed third in the century. Joe Lipscomb placed third in the mile run. These performances qualified these boys to run in the state meet at Tempe where Willie Fulks placed third in the 220 yard dash.

Running the different events and showing very well during the season were Willie Fulks in the 100 and 220 yard dashes and the relay; Phil Brownlie and Don Coulter in the 440 yard dash and relay; Joe Lipscomb in the mile, the high jump, and the 880 yard run; Ed Monty in the 440 yard dash and the 880 yard run; Ray Stewart in the 100 and the 220 yard dashes, the broad jump, and the relay; Dick Kingsbury in the pole vault; James Ackman, in the shot put and the mile run; and, Fred Harwood in the shot put.

Mr. C. B. Coor coached the track team.

Standing, left to right: Manager Ingram, Sweeney, Stewart, Ray, Craigo, Wood, Needham, Brunken, Manager Jackson, Coach Garcia. Kneeling, left to right: Anderson, Esquivel, Hall, Padilla, Polley, Tomlinson, O'Neill.

Owls Show Improvement On The Diamond

LITCHFIELD'S BASEBALL SQUAD, with only three returning lettermen, snapped out of what was expected to be an exceptionally poor year to win four games and to be stiff competition in several of their losses.

The pitching rested on the shoulders of Polley, Wood, and Padilla. First base was shared by Craigo and Ray. Tomlinson played second, and Trujillo played third. Shortstop was shared by Padilla and Polley. Esquivel, Sweeney, and Needham did the gardening, while O'Neill was the Owl's utility man. Wood did most of the catching, after pitching the first two games, and was elected captain of the team.

The Owls wound up their season with 4 wins against 8 losses. Litchfield fought all the way, but didn't have a strong enough offense to overcome the more powerful teams.

Next year's team will have six returning lettermen, as well as some good talent from this year's Owlets.

Girls' P.E. Class Active Throughout Year

IN THE PHYSICAL EDUCATION class, the girls were taught the rules of fair play and good sportsmanship. When the weather permitted, the class members participated in outdoor games. On the coldest winter days the gym rang with the enthusiastic shouts of the girls. Among the favorite activities were softball, volleyball, basketball, tennis, and tumbling.

Everyone Enjoyed Tennis

WHETHER THEY WERE on the regular tennis squad or not, there were always many students out on the courts awaiting their turn to play. Before and after school and at the noon hour, there were tennis games in progress and dozens of interested spectators cheering their favorites on. Several players obtained honor-roll passes and brushed up on their serves and returns during study periods.

However, because the squad was small, L.H.S. played only three matches. Their first match was with Tolleson, which they won; the next with Buckeye, which they lost. In the district meet, they were beaten by Buckeye, but defeated Scottsdale in girls' doubles.

The tennis team had a new coach this year, Mr. Mackie, who gave them some helpful tips and thoughtful guidance.

Toby Peterson and Don Libby are not in the picture.

"Is my lipstick on straight?" "Help me fix my corsage." "Gee, you look nice. New dress?" "Say, guy, who's the new girl?" "When do we eat?" Familiar words? Yes, those are some of the sounds heard from the powder room and the stag line. They suggest the gayer moments of our school life as WE REMEMBER . . .

The Good Time All Had At The Winter Fantasy

"GOOD EVENING, Miss Mortensen and Ona, I hope we're not late." Two of the senior girls and their dates arrive at the annual Winter Fantasy and are greeted by Miss Mortensen, sponsor, and Ona Allen, dance chairman.

Below the couples relax during the intermission while they await refreshments.

Dick And Wanda Reign As King And Queen

HIGHLIGHTING a wonderful evening of dancing was the coronation of the king and queen of the Winter Fantasy. Dick Kingsbury and Wanda Damron received the honors and were attended by Don Coulter and Daphne McAbee, seniors, who are not in the picture; Leone Sheppard and James Ackman, juniors; Glenda Schwartzkopf and Bill Sweeney, sophomores; and Ginger O'Neal and Jim Phelan, freshmen. Caren Coor and Joe Garcia, jr., carried the crowns and Beverly Crandall, vice president of the Girls' League, crowned their majesties.

After the cornation, the king and queen waltz to the melody of "Winter Wonderland," the theme song of the Winter Fantasy.

Junior-Senior Banquet And Prom Honors Seniors

WITH "STARDUST" as the theme, the Junior Class used appropriate decorations to the best advantage in honoring the seniors with a gala banquet and prom. The appetizing menu and the entertaining program started the evening gayly. After the banquet in the Wigwam dining room, the juniors and seniors and their guests went out onto the patio where they enjoyed an evening of dancing under the bright stars which provided a romantic, natural atmosphere. As Joe Aronson's orchestra played the lovely strains of "Stardust" and other sweet, dreamy tunes, the couples danced around the beautiful, lighted pool.

A delicious menu and entertaining accounts of the past, present, and future of the Senior Class make this a never-to-be-forgotten banquet.
Everyone seems to be "In the Mood" as they dance in the Wigwam patio under the stars that shine so brightly in the blue evening sky.

Our Halls Of Learning

OUR HEARTS are sad as we take leave of the joys of our days at L.H.S., but we are thankful that there are such things as MEMORIES . . .

"Litchfield, we're loyal to you,
And we will give our best to you,
In all our studies and play,
We'll be boosters for the gold and the blue,
When all our school days are o'er,
And the years are passing by,
We'll be glad we have the memories of
Our dear LITCHFIELD HIGH."
